an overview of who we are...

LYNX TRADING & CONTRACTING W.L.L.

Delivering the promise

WHO WE ARE

Lynx Trading & Contracting W.L.L., is a multi-disciplined company established to cater for the growing and multifaceted needs of Qatar's industry. We represent world-class companies in the region. Our Strong mix of business-to-business relationships around the Gulf region, and a network of associations with major International Trades and Manufacturing organizations make us a very unique organization. As a general trading and contracting company, we are pleased to provide a broad range of services, expanding them as needed to suit your particular needs. Our resourcefulness and vast network of suppliers, backed with our extensive experience has rendered us key players in our clients operations.

Our Mission

At Lynx, we are committed to meeting our client's objectives by securing an edge over the industry quality standards in a cost-effective and timely manner. We continuously strive to achieve long-term sustainability and high credentials by exceeding our clients and employees expectations. We wish to achieve a rewarding environment for our people and financial prosperity through our relentless perseverance and proper management.

Our Vision

Our vision is to become a world class organization with excellence in everything we do. This will be achieved through strong financial results and continuous investment in our people and infrastructure to enhance our customer satisfaction and best in class business process.

WHAT DO WE DO

Lynx Trading & Contracting W.L.L is committed to provide the most comprehensive services with an unsurpassed level of integrity and skill for our valued clients. Our consistent attention to the key deliverables of client satisfaction, timeliness, accuracy and a clear perspective of nurturing long term relationships have ensured that we have satisfied clients throughout our projects.

We provide trading and complete service solution for every discipline need in Industrial or Non-Industrial project, such as: oil & gas, Power plant, Building & Infrastructure, Bridge, Highway, Mining industry, Marine, Ship building & Construction, Petrochemical, Telecommunication, etc. We offer innovative and economical services & we meet client needs on projects of all sizes and smaller that's why Lynx proudly presents all in one integrated services, with the following details:

INDUSTRIAL SUPPLIES
